

AKHIR 85**AKHIR ONE**

The motor yacht Akhir 85, manufactured by Cantieri di Pisa, distinguishes itself by a refined and classic layout. The exterior is characterized by spacious sunbathing areas, a spacious terrace and a comfortable platform for access to the sea. The boat is decorated in an elegant teak and has a large lounge, a separate dining area, 4 cabins located on the lower deck and separate crew accommodation. There are advanced technological systems (such as GPS, radar, autopilot,...
